

Violin

Dexterity Exercise on the E string

6 *sim.*

11

16

21

- Practice these exercises first slowly paying extreme attention to intonation.
- Repeat each measure over and over till it is as perfect as possible before moving to the next measure.
- Play them again as 8th notes the same way
- Play them as 16th notes, continue to increase speed over time.
- These exercises are great to play on a daily basis and perfect warm-ups
